The Presidents Corner

For those of you who did not make it to the March meeting at Riverwood RV you missed a good one, and for the many of you who did make it, I thank you. I think this was one of the largest meetings I have seen since I joined the club. Although I'm sure most people showed up to wish Laura Engwicht a Happy Birthday!

The largest order of business that was addressed at the meeting was the issue of the car trailer. I thank all of the members who voiced their opinions. There were many very good points made both for and against. However after much back and forth discussion and multiple requests for a motion to purchase a trailer, none were made and the issue is now dead.

Acres of Iron was also a large topic at the meeting. I am very excited for this year's show. Tom Freidt informed us that there will not be a sports show on Main Street like there was in 2010. He then invited the club to hold the show at Riverwood RV as it has been in previous years. It was also decided to have a swap meet at the show! There will be no charge for a space at the swap meet this year, so start checking all the nooks, crannies, corners and attics in your shops, garages and man caves for any parts and automobilia you would like to send to a new home and put some money in your pocket.

Rick Setterlund will be giving the Hollyhock Station a facelift this summer as well, most likely early in the summer. I would like all of you to try to keep your ears and eyes open as an email will be going out for the weekend picked for this improvement. I feel all of us who would be able to come out and lend a hand in the scraping, painting, and re-siding of the south wall at our favorite gas station in the area should try and do so. It will be a fun time I promise!

Our next meeting will be at 7:30 on April 19th 2012, at Dale's Auto Restoration. Our monthly attendance drawing will be up to \$100.00, show up and good luck!!!

2. Guests: Lester Bollan, Jake

4. Monte Fischer brought up PAC sponsoring a car swap meet and inviting other car clubs. The members discussed holding the swap meet at the Acres of Iron car show in May. Monte Fischer will chair the swap meet.
5. Acres of Iron: May 19, 2012. There will be no downtown sports show in Mandan, so Tom Friedt offered to host the show at Riverwood RV. Motion by Monte Fischer to host Acres of Iron at Riverwood RV, 2nd Betty Beapple, voice carry. Time: 10:00 – 4:00pm. Setup 8:00am – 10:00am. Laura Engwicht offered to print flyers. Dale Speckmann motioned to allocate \$400 for door prizes and dash plaques for participants and swap meet vendors, 2nd Pat Fricke, voice carry. Steve Ellefson suggested offering free swap spots the first year. Members will discuss food at the next meeting.
6. Regan 100th celebration car show – July 14th – Flyer and parade registration are on the PAC website
7. Steak Fry: Proposed dates are August 5 and August 19.

Old Business

1. Valentine Dinner report: Feb. 16, 2012. Dale Speckmann mentioned that it was difficult finding good door prizes right before the dinner. Steve Ellefson motioned that up to \$400 be authorized for door prizes to be purchased through out the year, 2nd Tom Friedt, voice carry.
2. Flowers for hospitalizations/funerals will be purchased from Flower-Rama – bouquet \$25.

Committee Reports

1. Communications: Kari Zimmerman, chair. Newsletter ads were resized to reflect the new pricing schedule.
2. Model T Build: Steve Ellefson, chair. Eureka, SD will have the build in July 2012.
3. Gas Truck Overhaul: Steve Ellefson, chair. . Steve said that he needs find/buy a tie rod and ignition switch for the gas truck. Pat Fricke motioned that up to \$200 can be spent on parts for the gas truck, 2nd Joe LaFave, voice carry.
4. Grill Truck Project: Dale Speckmann/Jerome Zimmerman. No progress yet. Looking at April/May.
5. Buckstop Junction: Rick Setterlund purchased siding and it is currently in Rick's garage. Rick and Kevin will propose times and volunteers that are available will come help. Members discussed putting the lawn mower and other items in the storage shed during the summer to get them out of the gas station.
6. Audit committee report: No problems with the books. The books are pristine.
7. Enclosed Trailer: Several bids from various sources were presented. Sam Wangler mentioned the issues of storing, insuring, and maintaining a trailer which can become points of contention within the club. There was a motion to purchase a trailer for up to \$10,000 with funding from donations from other sources and PAC funds covering the rest. The motion was withdrawn because the members first had to decide if the club wanted to buy a trailer. No motion was made to purchase a trailer, so the subject has been dismissed.

Drawing for Membership Incentive for \$75. Don Davis was not present. Next drawing for \$100. Meeting adjourned at 8:29, 1st Dale Speckmann, 2nd Betty Beapple. The next meeting will be Thursday, April 19 at Dales Auto Restoration.

A term I haven't heard in a long time, and thinking about 'fender skirts' started me thinking about other words that quietly disappear from our language with hardly a notice like '**curb feelers.**'

And 'steering knobs.' (AKA) '**suicide knob,**' '**necker knobs.**'

Remember '**Continental kits?**' They were rear bumper extenders and spare tire covers that were supposed to make any car as cool as a Lincoln Continental.
