The Presidents Corner

Thanks for the opportunity to serve as your PAC president for 2016. I have finally taken the plunge as president.

Jerome and his team have left the club in great shape. We have a number of events in the works for this year and it is my hope that we can pull them off and have fun doing so, let's build on them for the future.

With Mark Engwicht as my Vice President and his years of service, his help for me will be greatly appreciated so feel free to contact him or me if you have ideas, suggestions, or want to volunteer to host any activity.

The club is strongest when we work together, and play together, and build our friendships around our passion for the PAC.

We have a number of talented members in this club who make working on these projects/events go smoothly. Please talk to me if you have any ideas or would like to host things like Dinner Cruz's, or all day Cruz to exciting places.

2016 will be a great year for the club and **"Above all, Let's have fun!"**
