Hello from Rick and Kathy.

Whoever ordered the weather for Buggies 'n Blues did a great job. The PAC was the 1<sup>st</sup> club to drive onto main street. A few of us went out to the Mandan Airport to partake in the Breakfast and air show. I even went for an airplane ride. The Saturday evening Band sounded great even without our old friend Jake not being there.

Motor to Medora was a great success, about 13 cars from the Minneapolis car club joined us. All model A's.

Jerome and Kari had lined up a fun trip on the way out and Steve and Jo lined up some fun trip on the way back. There were a couple of our Minnesota guest that found the Ethanol Plant tour more interesting than some. The Minnesota people were very happy with the whole 3 days of activities.

Thank You to all the club members that helped with the food and activities. I think Carl Larson was surprised with the banner that was given to him to commemorate his 40 yrs. of the Medora car show. Our awesome club Treasurer Steve Ellefson was given a plaque from Carl Larson for Steve entering a car in the Medora show for a total of 35 years.

Thank You for all who helped with the T-Build, we came within a few seconds of tying our old record of 2 min. 46 sec.

Thank You to all our beautiful **Rosie the Riveter's** for making the Medora car show that much more fun!!!

The PAC club will be cruising to Captain's Cabin in Washburn on Tuesday night (July 11th). We will meet at the Kmart parking lot at 6:30.

Have fun cruising in your cars ... no matter what you are driving!

Rick and Kathy
