Happy summer!!! Well not yet but it sure is feeling like we are close! It was nice to see so many out for Acres of Iron. I feel it was one of the best shows when it comes to the amount of cars, thank you to all that came and made it a great show. If you want to talk about weather, I will go out on a limb and say this may have just been the best weather we have ever had for the show!

Unfortunately the weather couldn't have been any worse for Rough Rider Chevy's show on Sunday at the Elks Club. I braved the weather on Sunday morning and drove through the monsoon to make it to the show, only to find that I was the only one there for about the first half hour. Eventually one other diehard (or maybe we were just fools, haha) showed up but the rain even got the better of us and we took off at noon. The good news is there will be a makeup date at the Elks, that will be July 14, from 11-3, and all the same rules will apply, you must enter both shows to be entered in the \$100 co-op prize!!! Hope you can all make the show!

As is tradition PAC has a shift for "security" at Buggies-N-Blues, our shift will be from 11 to noon, any help will be appreciated. The PAC will also be meeting at Riverwood RV before the show and caravanning in to our location as we have done in the past, so if you want to be parked with the rest of the club make sure you are there on time, details are in the minutes from the May meeting. We will also be doing the T-build during the show. Make sure you tell your friends to come and see it. They are even putting bleachers up for the audience this year!

The day after our June meeting is the Medora Car show! Carl has asked me if the Pioneer Club can once again help with parking the cars on Saturday morning. He is looking for two groups of four people to take one and a half hour shifts, or if those helping would like to do the whole 3 hour of parking that is fine too, as long as there are at least four there to help. The parking will start at 7:00 and go through 10:00am MT. Carl has also informed me that the land that the show is on will be available for the next five years, so for now the Medora show won't be going anywhere! We will also be presenting the T-build in Medora as well. If you are interested in helping please let Steve Ellefson or me know. I'm hoping to see many of the club members there; it would be great to bring the traveling trophy home again!

Thursday, June 6th will be the monthly dinner cruise! This time we are staying close... like Reza's Pitch in Bismarck, it's the former A&W on 3rd and Front. We will be meeting at K-Mart and Mark will take us on a nice tour around Bismarck! Hope to see many of you there.

Our next meeting will be June 20th, 7:30 at Buckstop.
