Hello from Mark and Laura

Not much happening right now.

Thank you to all that joined us for the Valentine's Supper. The food was very good like usual.

A few of us went to Wayne's and tore apart the truck he has out there. He will be taking the glass in to get made. And has some other parts to get repaired.

Please let us know if anything is going on that we can put in the newsletter.

Vice President Mark

If anyone is interested in this below email, please call them.

Subject: DOT Transportation Expo

Hi Rick - Paul Klemetson passed along your contact information. Hope you are enjoying sunny Arizona!

I talked with the Department of Transportation and they love the idea of having a vehicle from every decade as the car show. The cars will be indoors and roped off. I have a Tesla coming and we are working on some autonomous vehicles as well, so we will have a good representation of the past, present and future.

The Event Center requires that there is a mat under all cars, they have 1/4 tank of gas or less and no Armor All is allowed to be used inside. If the owners don't have mats, I will check with the Event Center to see if they have something. (Probably for a price!)

Paul also mentioned that you have a Model T that you put together and start. That would probably have to be outside, but we would love to visit about having that, as well.

We have plenty of time, I just wanted to touch base. Please let me know if you have questions, etc.

Thank you!

Committee Reports

Acres of Iron Need someone to head it. We contacted Touch a Truck in Mandan and they are willing to work with us to have our car show over there. It would be in the old Central Market parking lot. Laura finds out towards the end of March if it has been approved. If that don't work for some reason I'm sure we can have it at Gateway Mall again but we have not contacted them yet. It would still be on the same weekend as always May 19th. Any ideas you have let us Mark or Laura know.

We are looking at doing another Steak Fry and looking for ideas of where we could go.

We had about 30 people at the Valentines Supper. As always the food was good and so was the company. Thank you everyone for coming.

March meeting will be held at Dave & Patty Owen's Shop 4200 21st SE Unit 108, Mandan. Thursday March 15th. Go south of Kist Livestock and then take a left on 21st.
