The Presidents Corner

Hello from Rick and Kathy. It's been a fun and busy spring so far. It was fun seeing so many cars cruising Main in Bismarck last Tuesday night during "It's a Drag"!

The PAC club will be cruising to Wilton on Tuesday night (May 10th). We will meet at the Kmart parking lot at 6:30 and eat at the Sportsman Bar and Grill. We are always looking for some fun places and ideas for our cruise night so please let us know your thoughts!

The Garage at Buckstop Junction is coming along nicely. Thank you to all who have been helping out with the build. We have a couple of doors to build, some trim to put on and some grass and trees to be planted and it should be ready to use!

The Acres of Iron car show is coming up on May 14 at the Bismarck Heritage Center. The PAC will be doing the T Build at 4:45pm. Look for more details for that day in the news letter. Special thanks to Kari again for designing the Acres of Iron Flyer and Dash Plaques.

Happy Spring and have fun cruising in your car ... no matter what you are driving!

3. Sam Wangler brought up idea to move officer elections to fall before members are gone for the winter. Comments about making the change can be submitted via email or by attending the next meeting.
4. Discussed renters insurance for Buckstop Junction again. Steve Ellefson said he could get a quote again but last time the cost would not be justified.

Old Business

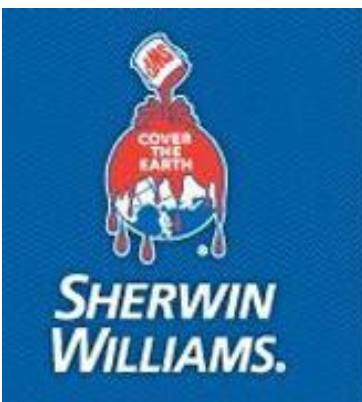

1. Acres of Iron: May 14. 1-4:30pm, parking lot west for Heritage Center and south of state library. Leave a spot for Roughrider and others to drive in and out. T Build is at 4:30pm - 5:00pm in the lot south east of the Heritage Center. Duane Jangula will bring cones to reserve space on the loop. 75 dash plaques from Dakota awards. Do the \$100 split with Roughrider Chevy.

Friday, participants can pack a lunch or eat at restaurant.

Committee Reports

Going to host training sessions so others can learn how to drive the Model Ts. Buggies-n-Blues 2016, Jun 12 (comp). Agreed to do the build twice. John DesRoches said that he could probably haul it over to Mandan.

4. Buckstop Junction: John Des Roches reported that there was no news that directly affects us. We should ask them to provide a copy of the insurance coverage they have on our buildings and fixtures.
5. New Shed: Walls are up, sides are on, going to put up rafters tomorrow and shingled on Sat. Need help painting.

Next meeting will be May 19, 2016 at Buckstop Junction at 7:00pm. Come early around 6:00pm to learn how to drive the Model T vehicles.
