Hello from Rick and Kathy

Thanks Mark and Laura for filling in for Kathy and I while we were in AZ the last few months.

It looks like the weather the first week in May is going to be a lot nicer than the last couple of weeks in April so let's get those old cars out of hibernation and get them ready to rumble! Kathy and I have been working on our 32 Chevy in hopes that in a couple of weeks it should be on rubber, brakes working, and maybe the engine running. But with the nicer weather it will be easier to say things like let's go fishing? Camping? Golfing? or any of the other things we like to do in the coming months. Fun Times ahead anyway!

The PAC club will be cruising to Wilton on Tuesday night (May 9th).

We will meet at the Kmart parking lot at 6:30 and eat at the Sportsman Bar and Grill. We are always looking for some fun places and ideas for our cruise night so please let us know your thoughts!

The Garage at Buckstop Junction was opened up at our last car club meeting and is pretty much ready for spring and summer.

The Acres of Iron car show is coming up on May 20 at Gateway Mall.

Hope to see all of you and your old shiny cars there. The club is working on dash plaques and posters and door prizes for the show. Look for more details for that day in the news letter. Special thanks to Kari again for designing the Acres of Iron flyer and dash plaques.

Happy Spring and have fun cruising in your car ... no matter what you are driving!

Rick and Kathy
