Hello from Rick and Kathy.

Thanks Mark and Laura for filling in for Kathy and I while we were in AZ the last few months.

We got back on the 30<sup>th</sup> of March and boy the first couple of weeks in April weren't very welcoming. May is going to be a lot nicer so let's get those old cars out of hibernation and get them ready to rumble! Kathy and I have been working on our 32 Chevy, the body work takes more time than I expected. I was really hoping to have the engine in it and running. But with the nicer weather it will be easier to say things like let's go fishing?

Camping? Golfing? or any of the other things we like to do in the coming months. Fun Times ahead anyway!

The PAC club will be cruising to Wilton on Tuesday night (May 8th). We will meet at the Kmart parking lot at 6:30 and eat at the Sportsman Bar and Grill. We are always looking for some fun places and ideas for our cruise night so please let us know your thoughts!

The Garage at Buckstop Junction was opened up at our last car club meeting and is pretty much ready for spring and summer.

On May 12<sup>th</sup> there is a North Dakota Transportation EXPO / 100<sup>th</sup> Anniversary of the ND Dot. It's at the Bismarck Event center and is free to the public. Hope you can find time to take it in. They asked me to help get 2 to 3 cars from each decade 1900>2018 to be on display so not all of our PAC members were asked to bring their cars, please forgive me if you weren't asked. We are still looking for a couple of cars between 1900 and 1920.

The Acres of Iron car show is coming up on May 19 in conjunction with Touch a Truck on main in Mandan. Hope to see all of you and your old shiny cars there. The club is working on dash plaques and posters and door prizes for the show. Look for more details for that day in the news letter. Special thanks to Kari, Kathy and Laura for designing the Acres of Iron flyer and dash plaques.

Happy Spring and have fun cruising in your car ... no matter what you are driving!

Rick and Kathy
