## The Presidents Corner

BREAKING NEWS!!!! As I write this there are only 35 days until the PAC Christmas Party!!! Just a reminder that this year's Christmas party will be at the AMVETS Club on the lower level. The price of the meal will be a little higher this year but I feel it will be well worth the extra cost. To help offset the higher price of the meal, the members at the October meeting voted that the club will buy down the cost of the meal. Also, different this year we will have dessert served, so no need to bring one with.

Our entertainment for the evening will be the traditional Chinese Auction, and we will also have The Strolling Strings there for our listening and viewing pleasure. I have also been informed that there will be a special surprise!

In January we will be having our annual elections. This meeting will once again be held at the Elks Club in Bismarck on the upper level. If you have a member that you would like to see as an officer, please contact Joe LaFave.

The PAC Member of the Year presentation will also be awarded at the Christmas party. If you have anyone you would like to nominate for that award please contact Joe LaFave or Sam Wangler.

Our November meeting will be held at the north A&B Pizza's back room in Bismarck on the 21<sup>st</sup> at 7:30.

### **What To Do About Cars Speeding In Villages?**

The local council could not afford a speed camera, so they put up a sign saying: Slow down Old People's Home. - It had no effect.

At the next meeting they decided to play on the paternal instincts and put up a sign: Danger - Children at Play.

The result was no discernible reduction in traffic speed.

Then the chairman had a brain-wave and suggested they try a sign with: Nudist Colony. As a result of the Nudist Colony notice, white vans and Lorries crawl through the village.
