## The Presidents Corner

Only one month and so much has changed. Thanks to Don, Rick, Mark Steve E. and some other crew members hard work we now have a foundation for our new garage building at the Hollyhock Station. Along with the foundation Mark has also located and spliced the powers lines so we will have lights and outlets in the new building, which will allow us to move the deep freeze from the office in the Hollyhock out and give more room. With the changing weather it is agreed that it would probably be best to wait until spring to start with the construction on the building itself.

The Christmas party is just around the corner as well and it appears as though everything is ready for the most part with the exception of entertainment, thank you to Les for all his work on the planning of the party, he does a great job putting this together for us every year. The Christmas party will be on December 17 at the Comfort in. The price was agreed at \$15 per person which will make a dinner for two with entertainment and membership renewal \$50. At the Christmas party will be the traditional "Member of the Year" award. If you would like to nominate a member please contact Joe, Sam or Les as they are the committee. And on the topic of nomination January will be the election of officers, you can contact the same committee with your nomination for officers or if you would like to be an officer.

And now a personal note; on October 18<sup>th</sup> at 2:50 in the afternoon Kari gave birth to our first child and it's a boy! We look forward to bringing Oliver with us to club functions and shows for years to come. He is going be a very spoiled little boy.

Our next meeting will be at the South A&B Pizza in Bismarck on November 19<sup>th</sup> meeting will start at 7, the club will be paying for pizza. See you there!
