Hello from Rick and Kathy.

Man, has the last few weeks of fall been windy, all of the fall foliage has been blowing from one yard to the next. I know I've cleaned up 33 big bags of leaves and after the last few days I get to clean up some more.

It's a good time to start working on an old or even new car project. I'm still working on our old 1932 Chevy. I made a trip to Steve Jorgenson's antique auto parts shop in Lisbon N.D. again and picked up a 32 gas tank and a couple of other items. He has a couple of 32 Chevys and they come in handy for pictures on how this 32 is to be put together.

The last 3 weeks I've been helping a friend add on to his existing shop a 20 x 30 x 14 ft tall garage in exchange for some welding he's been doing for me.

I like to really thank John Des Roche again, our PAC spokesperson for BSJ, for all his work in helping the PAC and Buckstop Junction with all their insurance questions and answers.

I'd also like to thank Les & Ellie Linsen for all their work in lining up the Christmas Party each year, also thank Mark & Laura Engwicht and Dale & Pam Speckmann for purchasing gifts for this years Chinese auction.

I know this is supposed to be the presidents corner but, I run out of things to talk about that you might call interesting so please send me a line, tell me what you have been working on and we'll put them in our newsletter.

Get out and drive those wonderful cars a few more times before you have to put them away for the winter L.

I hope you all had a spooktacular Halloween!

Rick and Kathy
