Hello from Rick and Kathy.

I can't believe it's already October and as I am writing this President's Corner, Kathy and I are driving to St. Louis, MO (ok Kathy is driving!) to pick up some 1932 Chevy car parts and then we are on our way to Hot Springs, Arkansas. We are slowly heading to Mesa AZ for the winter months!

October has been slightly less busy than August and September, but we did have a great night at the Mandan Bier Depot for our October Dinner Cruise and we had a productive October PAC meeting at Riverwood RV ... thank you Tom and Cherie for hosting!

As we head into the holiday season, a reminder that the PAC Christmas party will be held December 13th at the Quality Inn starting at 5:30 pm. The party planners have a great night planned with food, live music, games, door prizes and other entertainment! We are taking nominations for the Member of the Year award, so if know of a member who would fit the bill, please contact Joe LaFave, Les Linssen, or Sam Wangler. Also, if you are interested in an officer position or want to nominate someone, let the committee (Joe LaFave, Les Linssen, or Sam Wangler) know as well!

Our next cruise night will be November 13th at Bennigans in Mandan. Meet at KMart parking lot at 6:30. Please join us for a fun night.

The November PAC meeting will be held at Tom and Cherie Freidt's on November 15th. Their address is 1400 14th Street SE, Mandan. The meeting will begin at 7:00. Cherie is cooking so show up early!

Enjoy the rest of your fall, have a great Thanksgiving and have fun cruising in your cars as long as you can before the snow flies!

Rick and Kathy

HALLOWEEN HUMOR

The man was standing on the side of the road, hitchhiking in the middle of a thunderstorm on a dark and moonless night. Time passed slowly and no cars went by. It was raining so hard he could hardly see his hand in front of his face.

Suddenly he saw the headlights of a car approaching over a nearby hill. The car was moving very slowly, approaching and appearing ghostlike in the rain. It slowly and silently crept toward him and stopped.

Wanting a ride real bad, the guy jumped in the car and closed the door; only then did he realize that there was nobody behind the wheel, and no sound of the engine to be heard over the rain.

Again the car crept slowly forward and guy was terrified, too scared to think of jumping out and running. The guy saw that the car was approaching a sharp curve and, still too scared to jump out, he started to pray for his life, as he was sure the ghost car would go off the road and into the river, and he would surely drown!

But just before the curve a shadowy figure appeared at the driver's window and a ghostly hand reached in and turned the steering wheel, guiding the car safely around the bend. Then, just as silently, the hand disappeared through the window and the hitchhiker was alone again.

Paralyzed with fear, the guy watched the hand reappear every time they reached a curve. Finally the guy, scared to near death, had all he could take and jumped out of the car and ran to town.

Wet and in shock, he went into the nearest bar and told everybody about his supernatural experience. A silence enveloped the room and everybody got goosebumps when they realized the guy was telling the truth about the stange car and the ghostly hand that guided it on its way.

Just then, two men walked into the bar. They were dripping wet and as they took off their rain gear, they looked around the room. Their eyes came to rest on the hitchhiker.

"Look!" said one of the men, "There's the idiot who jumped into our car when we were pushing it in the rain."
