## The Presidents Corner

Hello Everyone!! **WHERE HAS THE SUMMER GONE???** The new school year has started and “fall” is in the air.....makes me think about getting the old shotgun out.

Oh, what a beautiful day!! Sunday at Buckstop Junction Corn Feed was just great!! We had a good day of selling burgers, brats, and soft drinks. We sold out the good burgers and have six cases of brats left from the Acres of Iron rain event. Thanks to chairman Joe LaFave and all the members who worked the booth. We had plenty of help so no single member was over burdened. A special “thank you” goes to Steve & Jo Ellefson for hosting dinner for the workers.

Mark your calendar for the Meddy Bear Car Show.

<http://www.pioneerclub.com/civicrm/event/info?reset=1&id=142>

It has been decided to try a “one day” show on Saturday, Sept. 17 from 8:00AM setup to 4:00PM departure. Previously, there has been resistance expressed relative the two day show thus the decision to try the one day show in hopes of attracting more cars. Everyone is welcome. Co-chairmen Carroll Sather and Ken Welch will be distributing more information when final details are known.

The last September weekend is a “busy” one this year with the Autumnfest Parade Saturday morning followed by the NDSRA Fall Foliage Run and Applefest at Buckstop Junction both Saturday & Sunday. See <http://www.pioneerclub.com/civicrm/event/info?reset=1&id=83> for details.

The Annual PAC Christmas Party (December 16) committee has been busy and has arranged for special entertainment for your listening enjoyment. More information to follow as we get closer to partytime.

The Model T fuel truck has a new license plate - **PAC GAS**. Check it out next time you are at Buckstop Junction. **T BUILD** should be on the Model T build car with its *new windshield frame* being acquired this winter.

New windows have been purchased for our Hollyhock Gas Station at Buckstop Junction and are being prepared for installation. Rick Setterlund and Kevin Schatz will be looking for some “quality craftsmen” to help install them and other re-construction items. Stay tuned.

Dale Speckmann was present and won the \$100 membership drawing at the August meeting so the September drawing will be \$25.

See you at Buckstop Junction for the 7:30PM, September 15<sup>th</sup> monthly PAC meeting.
