Hello from Rick and Kathy.

The month of August was a great month for car lovers! The weather was great for driving and enjoying our cars! The Buckstop Corn Feed on August 19<sup>th</sup> was a lot of fun and really appreciate all the club members who came and helped make it a great event for both Buckstop Junction and our PAC.

The car show at Edgewood Vista had a great turnout of cars and the residents really seemed to appreciate us and the rides in their era of vehicles!

Kathy and I drove our mustang along with several other PAC members to Kool Deadwood Nites last week ... it always makes for a great road trip.

At the KDN car show Steve and Jo Ellefson entered their 1932 Ford Phaeton and took 1<sup>st</sup> in the stock 1954 and earlier category. There were some interesting cars in the show that we've never seen before.

I hope to see you all at the next Dinner Cruise on September 12<sup>th</sup>. We will be meeting at the Hollyhock Station at Buckstop Junction for Burgers and Brats left over from the Corn Feed.

Also, for those of you with a Facebook account, please check the Pioneer Auto Club page periodically ... we do post details on upcoming club events as well as last minute car shows or other events around town that might be of interest to club members! We will also try to send out an email to all club members with same information.

Enjoy the rest of your summer and have fun cruising in your cars ... no matter what you are driving!

Rick and Kathy
