Hello from Rick and Kathy.

The PAC Road Trip and Steak Fry on August 11th was a fun event thanks to all the were able to make it. Special thanks to Dan & Diana Roloff for having the steak fry and games in their backyard afterwards. Go to <http://www.pioneerclub.com/> to view pictures from our events!

The Buckstop Corn Feed on August 18th was a lot of fun and really appreciate all the club members who came and helped make it a great event for PAC and Buckstop Junction. Once again, our best money-making event of the year. The Buckstop commented on how they appreciated the old cars giving rides around the town and thought it would be a good idea to mention it in next year's flyers. Thanks to Steve and Jolene for having the get together after at their place.

The month of August was another great month for car lovers! The weather was great for driving and enjoying our cars!

Kathy and I drove our mustang along with several other PAC members to Kool Deadwood Nites last week ... it always makes for a great road trip. Once again, we proved that even if our old cars have a little hiccup we can over come and keep on going.

I hope to see you all at our next Dinner Cruise night coming up on Tuesday, September 11th. We're headed to Hawk Tree; more to come in the September newsletter.

Remember the International Model A day coming up on Sept. 22nd. Micheal Farley, one of our newest PAC members, is instrumental in lining this up this year. If you know of any one with a Model A, please ask them to contact Micheal @ 701-955-5120 or myself @ 701-989-0017 for information. Let's hope for good weather and get as many Model A's up to the state capital at 8:30 am that morning. Enjoy the rest of your summer and have fun cruising in your cars ... no matter what you are driving!

Rick and Kathy
